

## Singapore Report

Dharma T. Tsujimoto

*Shingapore*

### Case 1 Miss. S. S., 18

April 28, 98  
Received a sevier burn with a spilled boiled water. Causing her to cry in tears. One quickly spray of EM-X instantly solved the pain problem. Treatment: EM-1 50ml 3 times a day EM-X several sprays a day

May 3, 98  
Continued the same treatment

May 8, 98  
Close to complete core except scabs against the prediction of a local keloid by a dermatologist

### Case 2 Miss M. 1., 4 Receiving a dermatological treatment including steroid, but the symptom continued to worsen.

February 17, 01  
Suffering from itchy attacks all over the body. EM treatment: EM-1 10ml/day, EM-X spray several times a day

February 26, 01  
Reduced itch with dried local spots. Smiling returned to the patient. EM treatment: EM-1 15ml/day

May 26, 01  
Almost cured.  
EM treatment: EM-X 20 ml/day

July 1, 01  
Almost normal  
Everybody was happy with the  
recovery. Currently taking EM-1 10  
ml/day
